

2011 Oxnard/Rio Mesa Frosh/Soph BASKETBALL TOURNAMENT

Welcome to the 2011 Rio Mesa Frosh/Soph Boys Basketball Tournament!

I want to take this opportunity to thank the staff & parents at Oxnard High School for co-hosting the tournament with us. Also, welcome to the new additions to our annual tournament and we hope you have great games as we all prepare for our upcoming league play.

There are 14 teams this year so we will have a modified tournament schedule with everyone guaranteed to play 4 games. We did our best to not schedule 2 teams from the same league to play each other during the early days but there could be games with similar leagues during one of the final 2 days.

Please make sure to review the game schedule to be sure of your game time and location as there are 3 different gyms where a game could be played.

Games on Saturday, December 3rd will be determined based on the outcome of the Brackets and the standings of Pool Play. Coaches will need to check with the Tournament Committee on Friday for the final Saturday game schedule.
